Our new chamber web page came up #1 on google. Videos will be put on chamber page for WF83 weekend.

Ellison Park update. There is a big effort with the community for renovating the park. Those to be involved are the Community Fund, Lions, and The CC Chamber. A bid was received from Ricks for a sprinkler system at the park for \$85,000. It was pointed out that there is a system of some type there already. We would need to see if it could be repaired. Clint Gulley has contacted Wade Inman about equipment for the park. (this statement made need corrections) Also, prior to renovations and landscaping a plan needs to be in place for maintaining the work being done to the park and whose responsibility it will be. It was decided that we

need to speak to the city about hiring someone to be in charge of mowing the park on a regular basis.

Cliff and Geney will be Chamber representatives for the Chamber for the renovations.

WF committee will meet on Monday at the public library.

Adopt a flower bed around the courthouse was discussed. It was decided to contact Lions, Hugs, FFA, WPW, Student Council Groups, 4-H, Youth Groups to participate along with the chamber. Margret made a motion and Nancy seconded. Motion passed.
